Hi Mike,

I'm sending you two packages.

1 is from last year's Austin, TX, trip and is in the We Care format.

The other is more recent, from 04.23.2015 Houston trip and also includes some of your issues. However, it's in the briefer ADM Format. I believe you're looking for the We Care format because we're planning for issues related to the Superconference in Austin, so although this info is more accurate, it's not the complete We Care setup.

Hope this helps!
